**EFFECTIVE, EFFICIENT, SECURE**

A range of customisable TE Bags that can be easily and securely sealed and show clear signs of tampering when security is breached.

Bag designs are unique and not easily copied and the material used is tough enough to withstand normal handling yet delicate enough to trigger tell-tale signs when tampered with. The bags are made to be highly user-friendly in application and handling with TE Bags made from 100% recyclable plastic.

**APPLICATIONS**

Customer specific configurations are available for various applications that include:

- Cash deposits and cash-in-transit.
- Confidential and sensitive documents.
- Police and forensic evidence.
- Duty-free shopping bags.

TAMPER EVIDENT BAGS

**TOUGH TAMPER-EVIDENT PLASTIC POUCHES AND ENVELOPES**

- 1] Custom made TE Bags are available with Multiple Receipts with tear-off perforations and individual serial numbering.
- 2] Easy-to-handle bags and self-adhesive strips come with clear and simple sealing closure instructions.
- 3] Printing to edges on TE Bags prevents cutting and resealing of the sides.
- 4] Alphanumeric Bar Code and Serial Number with matching receipt.
- 5] Matt white address panel can be written on using normal ball point pen.
- 6] Optional consignment pocket to hold accompanying shipping documents.
- 7] Proprietary double serrated side welding to prevent side cutting and re-sealing.
- 8] TE Bags are made of Co-ex film which is resistant to oil, water and rough handling, and is 100% recyclable.
